Dear President Obama,

We are citizens of Austin, Texas, comprised of people who are homeless, formerly homeless and others who are fully engaged in fighting to end homelessness. We read of your speech on March 2, 2010 as reported in the New York Times when you basically said that everyone should have a job that pays a living wage.

We are at-the-ready to assist you in whatever it takes to make living wage jobs a reality in America. We await your directive. Thank you for your leadership.

In Unity There is Strength,

Richard R. Troxell
President
